

What's In The Box

- One AIRIA device
- One fragrance cartridge
- One power cord

AIRIA Placement

- Place AIRIA in a central location
- Recommend AIRIA to be upstream from source of air flow so fragrance can travel with your home's natural air flow
- Keep AIRIA away from your home's air return vent

INSTRUCTIONS PERTAINING TO A RISK OF FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS

IMPORTANT SAFETY INSTRUCTIONS PLEASE SAVE

WARNING:

When using electric products, basic safety precautions should always be followed: Read all instructions before using. To reduce risk of injury, close supervision is necessary when a product is used near children. KEEP OUT OF REACH OF CHILDREN AND PETS. Product not a toy. Intended for adult use only. Do not put fingers or hand into product when the cartridge is not inserted. There are NO user serviceable parts on this device. DO NOT attempt to refill the cartridge with liquids or substances.

RISK OF ELECTRICAL SHOCK AND FIRE HAZARD:

Use only in properly functioning 120-volt electrical outlet. For indoor use only. Do not use with extension cords. Do not immerse in water or use in damp/wet areas. Do not use around open flame. Do not use in small confined pet areas without adequate ventilation. Do not obstruct or block airflow from unit. Use only in areas with at least 24"/61 cm clearance in front of the unit to avoid potential discoloration of surrounding surfaces. If used in a GFCI outlet, it is recommended to test the outlet when the refill is replaced.

MOVING AND STORAGE INSTRUCTIONS:

Do not place refill cartridges on finished wood surfaces. Do not use sideways or upside down as the perfume oils may leak. Discontinue use if the unit is dropped or damaged. Keep the AIRIA device in an upright position on flat surface. Do not turn upside down when a refill cartridge has been inserted, as the perfume could potentially leak and cause damage to your surfaces. Store device and refill in a dry location.

CLEANING INSTRUCTIONS:

Fragrance oils may collect on the AIRIA device over time. To clean, wipe with clean, dry cloth.

USER MAINTENANCE: There are no user maintenance parts, do not open device.

Avoid contact with eyes and skin. Do not put fingers or hand into product vent. Handle with care. Do not drop. Wash hands after handling. KEEP OUT OF REACH OF CHILDREN AND PETS. FIRST AID TREATMENT: Contains fragrance oils. IF SWALLOWED, call a poison control center or physician immediately. Do not induce vomiting. If in eyes, rinse with plenty of water for 20 minutes. If eye irritation persists, consult physician.

Set Up Your Device

- 01.** Place AIRIA on a flat surface. Plug power cord into the back of AIRIA and the other end into a wall outlet.
- 02.** Remove fragrance cartridge from the carton and take off orange clip before inserting into the device. Dispose orange clip in trash or recycle.
- 03.** Insert cartridge into top of device until you hear a click. Device will operate without app set up. See Operations.
- 04.** Download AIRIA app.
- 05.** Open AIRIA app and follow instructions within app to set up. Additional help can be found on our website FAQs.
- 06.** The QR code needed to set up device can be found at the bottom of the device or on the quick start guide.

SAFETY PRECAUTIONS

CAUTION:

SAFE FOR USE AROUND CATS AND DOGS. AS WITH OTHER AIR CARE PRODUCTS, NOT FOR USE AROUND BIRDS.

FCC STATEMENT AND CAUTION:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help
